

# Accompanist Scholarship 2024–25

Homerton College would like to appoint an **Accompanist Scholar** for the academic year 2024–25. This award is open to all current student members of College as well as those holding an offer to begin studying here in autumn 2024 who have an interest in piano accompaniment.

Applications are welcome from those who will have attained at least ABRSM Grade 7 on the piano, or who are of an equivalent level of proficiency.

Where possible, the Accompanist Scholar will be provided with a digital piano in their college room. The scholarship will be awarded for one year in the first instance, but may be extended for a subsequent year with the agreement of both parties.
